Dear Admission Committee,

It gives me immense pleasure to write this recommendation letter for Arshul Sharma, Roll No. 2017UEC2150, for his application for the MBA course. I am appointed as professor at Netaji Subhash Institute of Technology affiliated to Delhi University. As part of his faculty for four years, I have a close understanding of Arshul's academic capability.

As my student, I found Arshul exceptionally motivating and hardworking. He has good research skills, which were evident from his assignments and presentations. His project on "Plant Disease Detection using Image Processing" particularly grabbed attention of the faculty since it was thoroughly researched and aptly written.

At personal level, Arshul is a disciplined and dedicated student. He went well beyond the requirements of the course to complete internships and projects. Throughout the course, Arshul demonstrated perseverance and initiative. He was always motivated to learn and put in efforts to understand the concepts threadbare and bring out innovative ideas during the discussions.

If his performance in my classes is a good indication of how he would perform as a student at an MBA course, he would be an extremely positive asset to your program. If I can be of any further assistance, or provide you with any further information, please feel free to communicate with me.

Yours sincerely,

Prof. Jyotsna Singh

Professor

Electronics and Communication Department

NSIT, Delhi

Netaji Subhas Institute of Technology
Azad Hind Fauz Marg, Sector-3
